We leverage the experience and relationships developed over 10 years in country to deliver low cost and effective discovery and resource growth.

We aim to create value for our shareholders through exposure to the acquisition, discovery and development of mineral properties which feature high grade, near surface copper mineralisation.

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the accounts and on the business, operations and management of the Company.

The Chairman will also provide Shareholders a reasonable opportunity to ask the auditor questions relevant to:

- the conduct of the audit;
- the preparation and content of the independent audit report;
- the accounting policies adopted by the Company in relation to the preparation of accounts; and
- the independence of the auditor in relation to the conduct of the audit.

FINANCIAL STATEMENTS – PERIOD ENDED 30 JUNE 2021

To receive and consider the annual financial report of the Company for the financial period ended 30 June 2021 including the declaration of the Directors, the Directors' report and the auditor's report.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – MR PAUL SCHMIEDE

3.1 General

Clause 14.4 of the Company's Constitution states that the Directors may at any time appoint a person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, but so that the total number of Directors does not at any time exceed the maximum number specified by this Constitution.

Any Director so appointed holds office only until the next following annual general meeting and is then eligible for re-election but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Listing Rule 14.4 provides that a director appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting of the entity.

Mr Paul Schmiede, having been appointed pursuant to clause 14.4 of the Constitution on 1 April 2021, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election by Shareholders.

3.2 Qualifications and other material directorships - Mr Paul Schmiede

Mr Schmiede is a mining engineer with over 25 years' experience in mining, exploration and business and corporate development. He has had direct exposure to gold and base metal commodities in a range of jurisdictions including Australia, Burkina Faso and DRC. He is currently Vice President – Corporate Development for TSX-V listed Sarama Resources Ltd, which has development stage gold assets in Burkina Faso. Mr Schmiede holds a First Class Mine Managers Certificate (Western Australia), a Bachelor of Engineering (Mining) degree and is a Fellow of the Australasian Institute of Mining and Metallurgy.

3.3 Independence

Mr Schmiede has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his/her capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected the Board considers Mr Schmiede to be an independent director.

3.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. The Company undertook such checks prior to lodging its initial public offer prospectus with ASIC and applying for admission to the official list of the ASX.

Mr Schmiede has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Director of the Company.

3.5 Directors' Recommendation

The Board (other than Mr Schmiede) recommends Shareholders vote in favour of Resolution 1 on the basis that Mr Schmiede's skills and experience have and will continue to support the Company in achieving its strategic objectives.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR ZEFFRON REEVES

4.1 General

Clause 14.2 of the Company's Constitution states that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director except a Managing Director shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself for re-election. The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

Listing Rule 14.4 provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer.

In accordance with the Constitution and Listing Rule 14.4, Mr Zeffron Reeves, who was appointed as an additional director on 25 July 2018 and having been in office longest since elected, retires by rotation, and seeks re-election.

4.2 Qualifications and other material directorships - Mr Zeffron Reeves

Mr Reeves is a geologist with over 20 years' experience in the resources sector working on mineral resource projects through all facets of development from greenfield exploration, discovery, definition and feasibility, construction, production to closure. Mr Reeves is Managing Director of Tesoro Resources Limited (ASX.TSO) and was recently Managing Director of ASX listed Kopore Metals Limited (formerly Metallum Ltd) which had a number of development and operational projects in Chile. He has also held senior management positions with Cleveland Mining Ltd and Ashburton Minerals Ltd, developing projects in Brazil. Mr Reeves has a Bachelor of Applied Geology (Honours), a Masters of Business Administration from Curtin University and is a member of the Australia Institute of Geoscientists.

4.3 Independence

Mr Reeves has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his/her capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected the Board considers Mr Reeves to be an independent director.

4.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. The Company undertook such checks prior to lodging its initial public offer prospectus with ASIC and applying for admission to the official list of the ASX.

Mr Reeves has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Director of the Company.

4.5 Directors' Recommendation

The Board (other than Mr Reeves) recommends Shareholders vote in favour of Resolution 2 on the basis that Mr Reeves' skills and experience have and will continue to support the Company in achieving its strategic objectives.

5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$12,142,171 (based on the number of Shares on issue and the closing price of Shares on the ASX on 14 September 2021).

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

5.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 5.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for:

- (i) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition);
 - (ii) continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration);
 - (iii) the development of the Company's current business; and
 - (iv) general working capital.
- (d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 14 September 2021.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.11	\$0.22	\$0.33
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	55,191,688 Shares	5,519,169 Shares	\$607,109	\$1,214,217	\$1,821,326
50% increase	82,787,532 Shares	8,278,753 Shares	\$910,663	\$1,821,326	\$2,731,988
100% increase	110,383,376 Shares	11,038,337 Shares	\$1,214,217	\$2,428,434	\$3,642,651

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 55,191,688 Shares on issue as at the date of this Notice of Meeting.
2. The issue price set out above is the closing market price of the Shares on the ASX on 14 September 2021.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.

4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company was included on the official list of the ASX on 8 September 2021. Accordingly, this is the first time that the Company has sought approval under Listing Rule 7.1A and the Company has not issued any Equity Securities under Listing Rule 7.1A.2 in the twelve months preceding the date of the Meeting.

5.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.
